LEGAL RESPONSES TO ELDER ABUSE

March 31, 2021

1:00 - 2:00 PM

Provided with an American Sign Language (ASL) Interpreter.

Elder Abuse Prevention Ontario in partnership with the **Prevention of Elder Abuse Coalition of Etobicoke and York (PEACE)**, and the **North York Elder Abuse Network (NYEAN)** would like to invite seniors, families, service providers and caregivers, to an upcoming online Knowledge Exchange Event entitled: ***Legal Responses to Elder Abuse***.

Join us as we learn from our panel of experts: the Peel Regional Police, the Advocacy Centre for the Elderly (ACE) and the Office of the Public Guardian and Trustee (OPGT), who will discuss the law as it pertains to Elder Abuse and share what legal recourse options are available to help prevent and respond appropriately to cases.

Based on their individual experiences, panelists will share insights into legal approaches that can be taken, where either elder abuse or neglect is suspected, and how one can access services or other legal/enforcement supports in the community. Knowing why elder abuse is notoriously difficult to prosecute and resolve will also be covered in this presentation.

Following the formal presentation, an open panel discussion will allow participants to pose questions to each of the speakers and gain insights into how situations might be addressed. In the interest of privacy, specific personal situations will not be addressed, however EAPO will share contact information for each of the speakers to allow for follow up conversations to take place.
